### Agenda

#### Introductions

##### *Round-the-room*

#### **GIS Vendor Day Feedback – Matt Sokol**

- Vendors said most states typically do not have this type of rollout meeting
- Jeyan felt it was a good opportunity for vendors to talk with vendors that already collaborate on various levels with each other
- Anthony Puzzo thought it was a good format to give a general presentation to the entire group and then to meet with attendees one on one

#### **Maryland Enterprise Software Update – Matt Sokol**

- The purchase order for ESRI maintenance was sent to DoIT fiscal staff
- Budget numbers for maintenance were sent to state agencies
- James Appel is the DoIT fiscal contact should anyone have questions about billing
- DoIT can host services for agencies to reduce agency server license costs

#### **Upcoming Technical Committee Meeting Schedule – Matt Sokol**

- The next several MD iMAP Technical Committee meetings will include demonstrations of software packages from the master contractors that are on the new GIS Software Master Contract.

The schedule for these meetings and presentations are as follows but are subject to change:

**Tuesday, November 15** - 1:00pm to 3:00pm @ MDE - 1Spatial

**Tuesday, December 6** - 1:00pm to 3:00pm @ MDE - Hexagon Geospatial

- Technical Committee meetings with a presentation from a master contractor will allow for one hour of MD iMAP Technical Committee business and one hour for the presentation.
- Matt requested committee members send him any type of analysis or demonstration you would like to see from the vendors and he will pass along the request.

#### **MD iMAP 2.0 and Portal Update – Matt Sokol**
